

Dear Prospective Sponsor,

The Mercer County Community College Athletic Department works hard each year to provide excellent facilities and experiences for its student athletes.

Mercer County Community College's facilities are visited annually by many members of the community attending games or participating in sporting events at the facility.

Supporting our student athletes and maintaining our facilities is expensive. In order to ensure that our student athletes and those who visit our facilities have the best possible experience we are seeking sponsorship.

Currently, we have an opportunity available to sponsor the scoreboards (photo attached) in our gymnasium. These scoreboards are not only visible to our student athletes who play in our gym but to the many visitors who come to our facility.

Sponsorship for the two scoreboard comes at a cost of \$6175 for the first 5 years and is renewable for five additional years for \$1000.

Please contact us at to discuss this sponsorship opportunity, the logistics for your advertisement artwork, the color scheme for the two 24" x 120' signs, and how Mercer will maintain the quality of the signage.

Thank you,

John W. Simone
