

3/4/2024

To whom it may concern,

Students enrolled in the AAS Aviation Flight Technology will need access to additional equipment not listed in individual course syllabi to succeed in the program. Additional equipment is also needed for our students to succeed in their pilot careers at any Part 121, Part 135, Part 91 or Part 61 aviation company. Equipment essential to student success for their degree program and for their careers as Commercial Pilots includes the following:

- Headset (noise cancelling)
 - <https://www.sportys.com/aviation-headsets.html>
- Flight Bag
 - <https://www.sportys.com/shop.html?q=flight+bag>
- Kneeboard
 - <https://www.sportys.com/shop.html?q=kneeboard>
- Electronic or metal E6B
 - <https://www.sportys.com/shop.html?q=E6B>
- iPad
 - <https://www.apple.com/ipad-mini/>
- Laptop
 - [BestBuy Laptops](#)
- Aviation Flight Planning Service Subscription: ie, Foreflight or Garmin
 - <https://foreflight.com/products/foreflight-web/>
 - <https://www.garmin.com/en-US/aviation/fltplan/>
- Microsoft Office Subscription
 - [Microsoft Office](#)
- Logbook: Paper or Digital
 - <https://www.sportys.com/shop.html?q=logbook>
- ADS-B *in* receiver
 - <https://www.sportys.com/shop.html?q=ADSB>

If there are any questions regarding these student success items, please contact me via email at lawsond@mccc.edu.

Thank you,
