

SAFETY

Mercer County Community College shall make every effort to provide safe and secure working and studying conditions for employees and students. All faculty, staff, and students are responsible for cooperating in appropriate ways to the operation of the effective College Safety Program.

The President of the College is responsible for the establishment and implementation of the Safety Programs, including the periodic auditing of the same to insure its effectiveness.

Approved: Board of Trustees
February 14, 1974

Revised: March 15, 1979
