

University of Phoenix Bachelor of Science in Business/Management (BSB/M) Program Transfer Guide

Transfer to University of Phoenix is most efficient when an associate degree is earned – especially a transfer degree.

- **without an associate degree**, all courses transfer which are...
 - college-level or part of an associates degree
 - and earned with a grade of C- or better

Students who have earned an Associate degree and have completed a comparable math or communication arts course through an approved articulation agreement prior to their application may have satisfied University of Phoenix's math and communication arts prerequisites. Transfer credit may be used by students who have achieved a "C-" or better in a comparable course (College Algebra or College Composition) with a minimum of 2.67 semester credits at a regionally or select nationally accredited institutions. Transfer courses used for math and communication arts prerequisites must be eligible to receive general education credit. UOP credits remaining will depend on additional credits earned.
