**Mercer County Community College Footnotes:**

NOTE: Electives should be selected in consultation with the program coordinator in order to assure maximum transfer of credits.

Course listings with an "OR" offer choices based on anticipated transfer institution and area of concentration desired by the student.

• Students planning to transfer to Rutgers: Edward J. Bloustein School of Planning and Public Policy must take CHE 102 and MAT 146.

• Any language including American Sign Language.

• Select from BIO 201, 208, 217.

† Some exemptions apply. Consult academic advisor for details

**Rider University Footnotes:**

• Students have a number of options to satisfy this requirement; courses will be evaluated on an individual basis.

For transfer credit the Mercer student must have a grade of "C" or higher in all courses. (NO transfer credit will be accepted for any course with a grade of (C-) or below.

The curriculum is designed to provide a seamless transition from an Associate degree or diploma program, building on student experiences in allied health professions. Separate clinicals are not required.

Please note Rider only requires one math course for the B.S. in Allied Health Studies (CCS).

The Rider degree requires 120 credits; the Mercer student may need to take additional credits to meet the Rider University degree.

**Requirements are subject to change. This Advising Guide is best used in consultation with an advisor.**
